LIFE LESSONS

Pick 1 key to success and 1 key to significance. Think about 1 specific business and/or life experience where you have experienced success and significance. What were the life lessons that you gained? Write about these valuable moments in a journal.

COMPELLING QUESTIONS

After you completing your journaling assignment, summarize the business and/or life experience by developing a question that developed during your journey. What was the million dollar question that were you able to answer post-experience?
